

Artificial Intelligence & Sleep: Are We Ready?

Lunch Session

Baltimore Convention Center, Room 310
June 5, 12:30-1:30 pm

Speakers

Dennis Hwang, M.D.
Jaspal Singh, M.D.
Raj Misra, Ph.D.

This interactive session sponsored by Somnoware Healthcare Systems focuses on the application of A.I. in sleep healthcare. You will get up to speed on a promising technology that can reduce errors, automate repetitive tasks, provide useful insights for faster decision making, and free up physician time.
